Court News .- The most important cases lisposed of since our last report of the court-

ceedings are as follows: The Reese Case. The case of teese vs Wm. Haynes, et al Township Trusfrom the fact that it involved the right of his veins, was disposed of on Wednesday by verdict in favor of the plaintiff, in which the damages were set at \$1,00. The facts of the case are as follows:

Mr. Reese a quiet, industrious citizen, who has apparently about one-fourth African blood in his veins, and who has several times exercised the right of suffrage in this place. Annual Report of the Ladies Relief

presented his vote at the polls last full, was challenged and his vote refused by the Trustees. Believing himself entitled to the right of auffrage under the decision of the Supreme court, he brought suit against the trustees for damages, Junus GREENE and HOMER EVERETT, Esq. volunteering as his counsel. FINNERCK and Winstow appearing for the defense.

The defense denied that there was any

evidence to prove that Reese had a predominance of white blood, and took the ground also that he did not make a formal presentaejected articles.

The Walks.—The brick sidewalks in the Trustees that "Niggers could not February 27th. — Balance vote" was abstract, and did not reject the vote of Reese in particular. It was proved, however, by most reliable witnesses, to the decision of the Trustees above referred to. was made on the basis of his application. Mr. Reese gave his testimony in regard to his parentage in a straight forward manner, and it tallied so exactly with his color and

room to the question of blood. The arguments of Messys, GREENE and EVERETT were very able and thorough, and will be remembered as among the finest ever delivered at the bar in this county. The charge of Judge Stone to the Jury elicited general praise from the bar and was spring sets the marbles rolling. Groups of a clear exposition of the law upon the follow-
